## Claire's Handmade Cakes Prices and Delivery

Each cake is made to your individual design. There are a number of factors which will determine its price. These include:

- the size of your cake
- the number of portions you require
- the flavour (eg vanilla sponge, chocolate, fruit etc)
- the design of your cake and the complexity of its decorations
- the way the cake is displayed (eg stacked, on a cake stand, using pillars etc)

The following table can be used as a guide to how many portions a cake will yield. I suggest a 1"x 1" piece for fruit cake and a 2"x 1" piece for all other flavours.

Size of cake	Round Sponge / Fruit	Square Sponge / Fruit
6"	11/22	14/28
8"	20/40	27/54
9"	27/54	35/70
10"	34/68	45/90
12"	50/100	67/134

Please use the following as a guideline:

Cupcakes – start at £2 a cupcake, with a minimum order of 12

Celebration cakes – start at £50 for an iced and decorated 8" round sponge cake (please add £10 for square cakes and fruit cakes).

Wedding cakes – start at £100 for a single tier and £200 for two tiers.
